Sam, attached is a draft response which includes our paragraphs. I've had Nicole Cantello look at it and she was fine with the response. Once you're done I guess send it back to Eileen for holding. Thanks

There are some pleasantries I didn't bother messing with because I knew you'd do better. I've also attached the incoming. We didn't include something about we are following the SH Bell "SOP" with Watco. Don't know if that was specific to superfund, but really it isn't. Do you remember how Kurt phrased that?
